

## Engineering Awards Committee

### Meeting Minutes

May 1, 2006, 8:00 a.m., room 1007 Kemper Hall

Attended: Khaled Abdel-Ghaffar, Niels Jensen, Bill Chancellor, Michael Gertz, Michael Savageau, Bruce Kutter and Mohamed Hafez.

Absent: Bruce Gates, Bruce White.

The meeting was called to order to discuss the eight nominations for the Zuhair A. Munir Best Dissertation Award. The committee members that were assigned to review the submitted files briefly discussed each of the eight dissertations. After this discussion members voted on all dissertations to see whom the top four candidates would be. Discussion continued on the final four candidates and another vote was taken. The candidate with the most votes was selected as the recipient of the award.

Committee members suggested for future consideration of this award, that a review guideline would be helpful showing the criteria and expectations for this award.
